

# STUDCLICK

YOUR PARTNER IN STUDYING!

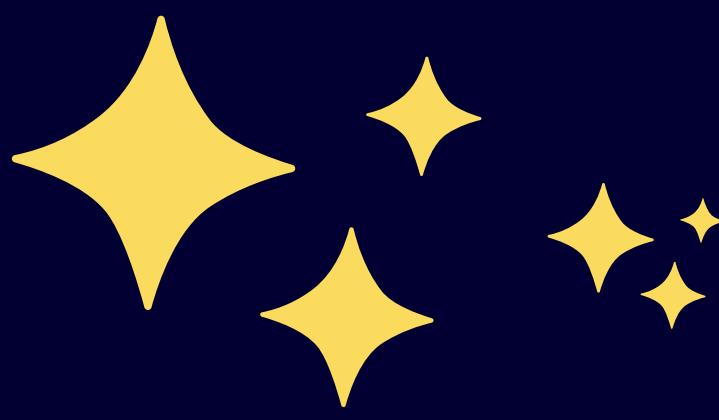

## • MAIN TOPIC

During this Pandemic situation, children are having hard time studying in online schools . So we create this online app to help them study in a fun and different way.

## • PROBLEMS

Many Children in Indonesia doesn't know how to read. As written in the news, a grade 2 students doesn't know how to read and a grade 4 students forget how to read

## • OUR TARGET

Children from the age from 4 year and above. At that age, they start to learn how to read.

## • SOLUTIONS

Get to know technology from early age

Study with different types of methods

Benefit from playing while learning (based on www.sehatq.com articel):

- Improve physical skill
- Forming an active lifestyle
